MD TAHRIM KOBIR RIYAD

Passport: A20777137 **Nationality:** Bangladeshi **Date of birth:** 1/2/2004

Place of birth: Netrakona, Bangladesh **Phone number:** (+880) 01305581682

Email address: tahrim.ag@student.sau.ac.bd

WhatsApp: +8801305581682

LinkedIn: http://www.linkedin.com/in/mdtahrimkobirriyad

Home: Kendua, 2480 Netrakona (Bangladesh)

ABOUT ME

Third-year **B.Sc. in Agriculture (Hons.)** student from Sylhet Agricultural University with research background in **Plant Stress Physiology, Molecular Biology, and Bioinformatics**. Took part in various research activities at the University as a **University Research Assistant**, including **DNA extraction, plant biochemical profiling, seed germination, abiotic stress experiments, and computational analysis of plant genomic data**. Proficient in **gene family analysis, sequence and phylogenetic analysis, genomic data mining, gene expression profiling, R, Python, and bioinformatics tools**. To work towards functional genomics, crop stress resilience, and climate-smart agriculture at multidisciplinary and international platforms.

EDUCATION AND TRAINING

Bachelor of Science in Agriculture (B. Sc. Ag. Hons.)

Sylhet Agricultural University [6/10/2023 – Current]

City: Sylhet | **Country:** Bangladesh | **Level in EQF:** EQF level 6

Plant Physiology • Crop Science • Plant Biotechnology • Genetics & Plant Breeding • Soil Science • Plant Pathology • Entomology • Agricultural Biochemistry • Environmental & Agro-ecosystem Science • Agricultural Statistics & Research Methods

WORK EXPERIENCE

Agronomy Lab, SAU – Sylhet, Bangladesh

RESEARCH ASSISTANT

[20/2/2025 – Current]

Technical & Research Competencies
Wet Lab & Plant Physiology

- **Molecular & Biochemical Techniques:** DNA extraction, biochemical assays for antioxidant enzymes (**SOD, POD, CAT, APX**) and stress markers (**MDA, Chlorophyll, TPC, TFC**).
- **Instrumentation:** Operation of **UV–Vis Spectrophotometer** and specialized biological sample preparation.
- **Stress Physiology:** Designing and conducting **seed germination** and abiotic stress resilience experiments.

Research Design & Data Analysis

- **Research Methodology:** Experimental design (**CRD**), statistical analysis, and **in silico** data interpretation.
- **Academic & Research Skills:** Scientific writing, **Mendeley** reference management, data interpretation, and scientific communication.

Genetics Lab, SAU – Sylhet, Bangladesh

RESRARCH ASSISTANT

[17/5/2026 – Current]

Bioinformatics & Computational Genomics

- **Gene Family Analysis:** Genome-wide identification, domain/motif characterization, gene structure, chromosomal localization, duplication, synteny, phylogenetic, and evolutionary analysis of plant gene families.
- **Functional Analysis:** GO/KEGG annotation, cis-element analysis, protein structure prediction, and stress-responsive gene expression profiling.
- **Tools:** NCBI, TAIR, Phytozome, UniProt, InterPro, MEME, TBtools, MEGA, iTOL, AlphaFold, and eFP Browser.

– Sylhet, Bangladesh

PROFESSIONAL MEMBERSHIP / AFFILIATIONS

[12/5/2026 – Current]

Member: American Society of Plant Biologists
Member: The American Phytopathological Society
Member: The American Society of Horticultural Science

SKILLS

UV–Vis Spectrophotometer Operation / Biochemical Assays (Chlorophyll, TPC, TFC, MDA, SOD, POD, CAT, APX) / DNA Extraction / Plant Biochemical Analysis / Bioinformatics Tools (NCBI, BLAST, MEGA/PhyloSuite) / Experimental Design & Data Analysis / Seed Germination & Stress Physiology Experiments / Research Teamwork & Scientific Communication / Academic Writing & Presentation Skills

LANGUAGE SKILLS

Mother tongue(s): Bengali

Other language(s):

English

LISTENING B2 **READING** B2 **WRITING** B2

SPOKEN PRODUCTION B2 **SPOKEN INTERACTION** B2

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user

CERTIFICATIONS

PROFESSIONAL DEVELOPMENT AND CERTIFICATIONS **Law and Genetics** — **University of Cambridge** (via Coursera), [2026]
- Legal and ethical frameworks, biotechnology regulation, intellectual property, and healthcare ethics.
- **Certificate:** https://coursera.org/share/9b7e20026032e33bda06eaf11ffcae0f

Plant Bioinformatics Methods Specialization — **University of Toronto** (via Coursera), [2026]
- Plant genomic and transcriptomic analysis, phylogenetics, comparative genomics, and bioinformatics tools.
- **Certificate:** https://www.coursera.org/account/accomplishments/specialization/HGBR5II0ZXTR

Bioinformatics: Introduction and Methods — **Peking University** (via Coursera), [2026]
- Bioinformatics fundamentals, sequence analysis, statistical methods, and biological data processing.
- **Certificate:** https://www.coursera.org/account/accomplishments/verify/MF1DCKLEVWN6

Python for Genomic Data Science — **Johns Hopkins University** (via Coursera), [2026]
- Python programming, genomic data processing, file handling, and bioinformatics pipeline development.
- **Certificate:** https://coursera.org/share/53762734a787127a1afb94bebee51df1

Data Analysis with R Specialization — **Duke University** (via Coursera), [2026]
- Statistical analysis, regression, data visualization, and reproducible data analysis using R.
- **Certificate:** https://coursera.org/verify/specialization/7M0WBO119F3P

Applied Machine Learning in Python — **University of Michigan** (via Coursera), [2026]
- Machine learning, predictive modeling, classification, clustering, and model evaluation.
- **Certificate:** https://coursera.org/verify/USCDNT8QWXCT

Mode of learning: Online

CONFERENCES AND SEMINARS

[24/5/2026 – 25/5/2026] Antalya- Türkiye
International Antalya Scientific Research and Innovative Studies Congress-X Oral and **technical research presentation** in recognition of research contributions at the **International Antalya Scientific Research and Innovative Studies Congress-X.**Pap er presented: **"Influence of Nano Zinc Seed Priming on Germination of Rice Under Different pH Levels."**
